## *Unhooking the Hardwiring*

Noetic Field Therapy (aura balancing) reveals the misperceptions and misidentifications of the personality/ego, clears the error with awareness, attention, self-forgiveness and compassion - and invites and invokes the Highest Consciousness to reawaken each cell to its original innocent state of divine perfection.

As you let go of the counterfeit energy forms and experience your true divine frequencies, the sacred blueprint as a cocreator with God is activated.

## WORKSHOP OBJECTIVES:

- Uncover and move beyond the limited conditioned story
- Practice and experience a Self-Mastery Model of shifting
- View a demonstration of soul awareness using aura balancing
- Learn clearing techniques that access the Noetic mind
